Dear Sir:

Please consider this letter a verification of your report on reception of our ~~AM~~ FM ~~TV~~ station on Sept. 13th, 1961 at 11:12 PM. EST. We have checked our log of the date and time and find your report quite accurate.

We thank you very much for your nice letter and are glad to know that you are able to receive our signals there. We do not have on hand a regular verification card, but we trust this letter will do as well.

Very truly yours,

Richard L. Lindell
Chief Engineer

Dear Sir:

Please accept our grateful thanks for the comments you sent on the reception of our FM signal during the recent program tests.

As of September 21st, 1961 we began our regular broadcasting and we hope you will continue listening and enjoy our station. A WTAR-FM weekly program schedule is enclosed for your information.

Very truly yours,

Richard L. Lindell
